OFFICE OF PETITIONS

In re Application of
Randall M. Chung
Application No. 09/408,198
Filed: September 29, 1999
Attorney Docket No. 97RSS467

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed May 13, 2005, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action mailed October 1, 2002, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on January 2, 2003.

The above-identified application has been abandoned for an extended period of time. The Patent and Trademark Office is relying on petitioner's duty of candor and good faith and accepting the statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. See Changes to Patent Practice and Procedure, 62 Fed. Reg. at 53160 and 53178; 1203 Off. Gaz. Pat. Office at 88 and 103 (responses to comments 64 and 109) (applicant obligated under 37 CFR 10.18 to inquire into the underlying facts and circumstances when providing the statement required by 37 CFR 1.137(b) to the Patent and Trademark Office).

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137 (b) in that (1) the reply in the form of an Amendment; (2) the petition fee; (3) the required statement of unintentional delay have been received. Accordingly, the petition filed May 13, 2005 is accepted as having been unintentionally delayed.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3229.

The application matter is being referred to Technology Center 2600, Art Unit 2632 for further processing.
